

# outdoor showers

CATALOGUE

ICÓNICO

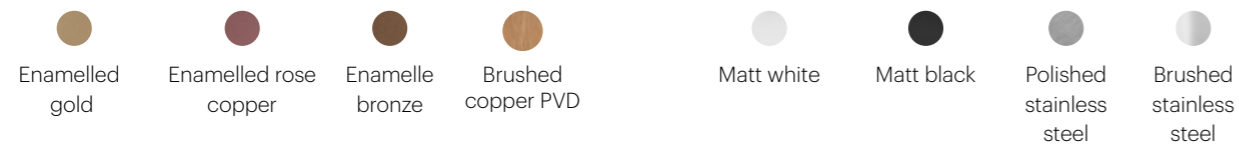

Dexter is our collection of outdoor shower columns with streamlined designs, durable materials and stylish finishes. A wide range of easy-to-install models that seamlessly integrate with the surroundings to finish off terrace and garden projects. These pieces stand out for their versatility, style and functionality, with built-in shower heads, frost-proof technology, and single lever and thermostatic mixers, among other features. A top-quality touch of design to cool off under the sun.

## MATERIAL AND FINISHES

Manufactured in AISI 316, all our showers are available in 4 finishes: matt black or white and brushed or polished stainless steel.
