CATALOGUE

ICÓNICO

It is time to rethink the bathroom from a practical and stylish perspective. Our series of shower trays can transform the bathroom and its wet areas with designs that blend perfectly into the architecture – streamlined pieces with vast possibilities of customisation in colour and size for designing accessible, hygienic and decorative spaces simultaneously. The shower reclaims its place in the bathroom as an indulgence ritual.

Shower tray **PD1** 100x200 cm in black, shower O-DSPE-250 matt, towel rail O-T45, PWC push button in black and WC3 toilet in white.

Shower tray **PD5** 100x200 in RAL 7047, shower O-DSP3-250 in brushed nickel and niche shelf H30x601 in white. blanco.

NON-SLIP, HYGIENIC AND LONG-LASTING

The Gel Coat finish, as well as the rough texture of the surface finish guarantee the non-slip qualities of the shower tray. In addition, it is a resistant material, easy to clean and maintain, making it hygienic and durable, both for home and contract spaces.

Shower tray **PD3** 100x180 in white. Shower head holder D-SP42, shower head D-C400, and hand shower O-DI1V in bright steel.

CUSTOMISABLE IN COLOUR & SIZE

We have multiple formats and sizes, and a degree of flexibility in adapting the piece to the bathroom project to achieve greater precision in installation. Only 3 cm thick, the tray can be installed on the floor or flush-mounted. Its Gel Coat coating also features a choice of any colour from the RAL Classic palette for its final finish, including the drain, which is integrated with the same shade and material.

Shower tray **PD4**, size 180x90 cm, plastered on the floor in pearl colour (RAL 9002), shower head holder D-SP42, shower head D-R300, hand shower O-DI1V in brushed gold and niche H30x60 in white.

MATERIALS AND FINISHES

Our shower trays are made from a mixture of 75% dolomitic stone and 25% resin, with a layer of Gel Coat. We have two finishes to choose from, with a slightly rough surface texture and anti-slip qualities.
